

Intra-Cellular Therapies to Participate in Two Upcoming Investor Conferences

October 31, 2023

NEW YORK, Oct. 31, 2023 (GLOBE NEWSWIRE) -- Intra-Cellular Therapies, Inc. (Nasdaq: ITCI), a biopharmaceutical company focused on the development and commercialization of therapeutics for central nervous system (CNS) disorders, today announced that it will participate in two upcoming investor conferences:

J.P. Morgan Equity Opportunities Forum

Monday, November 6 – Tuesday, November 7, 2023 in Miami, FL

UBS Biopharma Conference 2023

Wednesday, November 8, 2023 at 11:00 a.m. ET. in Miami, FL

A live and archived webcast of the Company's fireside chat at the UBS Biopharma Conference 2023 can be accessed under "Events & Presentations" in the Investor Relations section of the Company's website at www.intracellularthérapies.com. Please log in approximately 5-10 minutes prior to the event to register and to download and install any necessary software.

About Intra-Cellular Therapies

Intra-Cellular Therapies is a biopharmaceutical company founded on Nobel prize-winning research that allows us to understand how therapies affect the inner-workings of cells in the body. The company leverages this intracellular approach to develop innovative treatments for people living with complex psychiatric and neurologic diseases. For more information, please visit www.intracellularthérapies.com.
